We are seeking artworks for both indoor and outdoor locations. The Village of Deerfield Fine Arts Commission

The Village of Deerfield has always strived to be actively involved and supportive of the arts. The Village has enthusiastically hosted, sponsored, publicized and funded many art events in the past years. The Village's commitment to the arts is embodied in the establishment of a Fine Arts Commission. This special purpose commission spearheads the coordination and planning of all Village art programs. The duties of the Fine Arts Commission are to promote, encourage and foster an artistic and cultural environment within the Village by supporting diverse artistic groups and individuals.

Public Art Selection Process

The primary goal of the Deerfield Public Art Program is to publicly display works of art created by local, regional, national and international artists. The art will be displayed for one year in public buildings. The program will select new pieces each year for the selected locations. There are numerous areas where the Village has reserved space for art displays. The Village Manager's Office, in cooperation with the Fine Arts Commission will pre-approve these display sites. Buildings included in the program are Deerfield Village Hall, Public Works, Deerfield Public Library, Deerfield Park District facilities and the West Deerfield Township building. ***New this year is a single site for an outdoor sculpture that can accommodate a monumental work of sculpture. This location is in a small park located in the center of downtown Deerfield at the northeast corner of Deerfield Road and Waukegan Road. The suggested size is up to 20' tall by 10' diameter with appropriate clearance from sharps for walkers. The Village will work with artists for this space to coordinate delivery and placement. Photos of the corner park are below.***

Prospective artists are invited to propose artwork for display. Before any piece is displayed, Village staff and the Deerfield Fine Arts Commission would all need to determine that the proposed artwork is appropriate for public display, given the artwork selection criteria described below. The entire grouping of artwork submittals will be reviewed once a year by Village staff and the Deerfield Fine Arts Commission.

The specific artworks selected for display will be reviewed via jury process. The Fine Arts Commission is responsible for reviewing artwork submissions and making a final recommendation to the Village Manager's Office regarding final artwork selections. The Village of Deerfield reserves the right to request any additional information from the artists in order to make its decision. In the event that no artwork is deemed suitable for display, the Village of Deerfield reserves the right to postpone the display period; solicit other proposals; or to take any other necessary action to complete the selection process.
